**MOBILE DEPOSITS
FROM YOUR
CREDIT UNION**

DEPOSIT CHECKS? DONE!

There's a new way to deposit checks, and it's as simple as *snapping* a picture with your smart-phone or tablet and *sending* it to a friend.

With Mobile Deposits from your credit union, you won't have to search for an ATM or branch. Using the credit union's mobile app and the camera on your mobile device, you can deposit checks on *your* time, from virtually anywhere.

FAST Chances are, your mobile device is never far from your side... That means deposits are never far from your credit union account!

CONVENIENT Skip the driving, deposit slips, lines and ATMs. Get it done while you're thinking about that check!

EASY TO USE The credit union's mobile app steps you through the short process.

Your deposit is as secure as depositing checks in person at a credit union branch or at an ATM. Check images are never saved on your device, and you'll have a user ID and password to access your account.

Here's how Mobile Deposits work:

 **Open** the credit union's mobile app and select the deposit feature.

 **Select** the account to receive the deposit, and enter the check amount.

 **Snap** photos of the front and back of your endorsed check.

 **Verify** your deposit amount.

 **Send.** You'll receive confirmation that your deposit is being processed.

Driving to the credit union or ATM to deposit a paycheck, birthday check or any paper check is so...well, unnecessary!

Snap. Send. Done!
