

Bank When You Want

Got a check to deposit? Say hello to convenience. Depositing checks with your smartphone or tablet trumps driving to a branch or an ATM.

With Mobile Deposits from your credit union, you can deposit checks on *your* time – business hours or not – from virtually anywhere. All you need is your credit union’s mobile app and the camera on your mobile device. And there’s no driving, and no deposit slips, envelopes or lines with Mobile Deposits.

Your deposit is as secure as depositing checks in person at a credit union branch or at an ATM. Check images are never saved on your device, and you’ll have a user ID and password to access your account.

Here’s how Mobile Deposits work:

- ➡ **Open** the credit union’s mobile app and select the deposit feature.
- ➡ **Select** the account to receive the deposit, and enter the check amount.
- ➡ **Snap** photos of the front and back of your endorsed check.
- ➡ **Verify** your deposit amount.
- ➡ **Send.** You’ll receive confirmation that your deposit is being processed.

Shorten your “to-do” list faster. Bank on *your* schedule with Mobile Deposits. Contact your credit union to learn more.

The Mobile Deposit service is available for select mobile devices.
