A LITTLE ABOUT
WHO WE ARE,
WHAT WE DO AND
HOW WE CAN HELP
YOUR CREDIT UNION

WHO WE ARE.

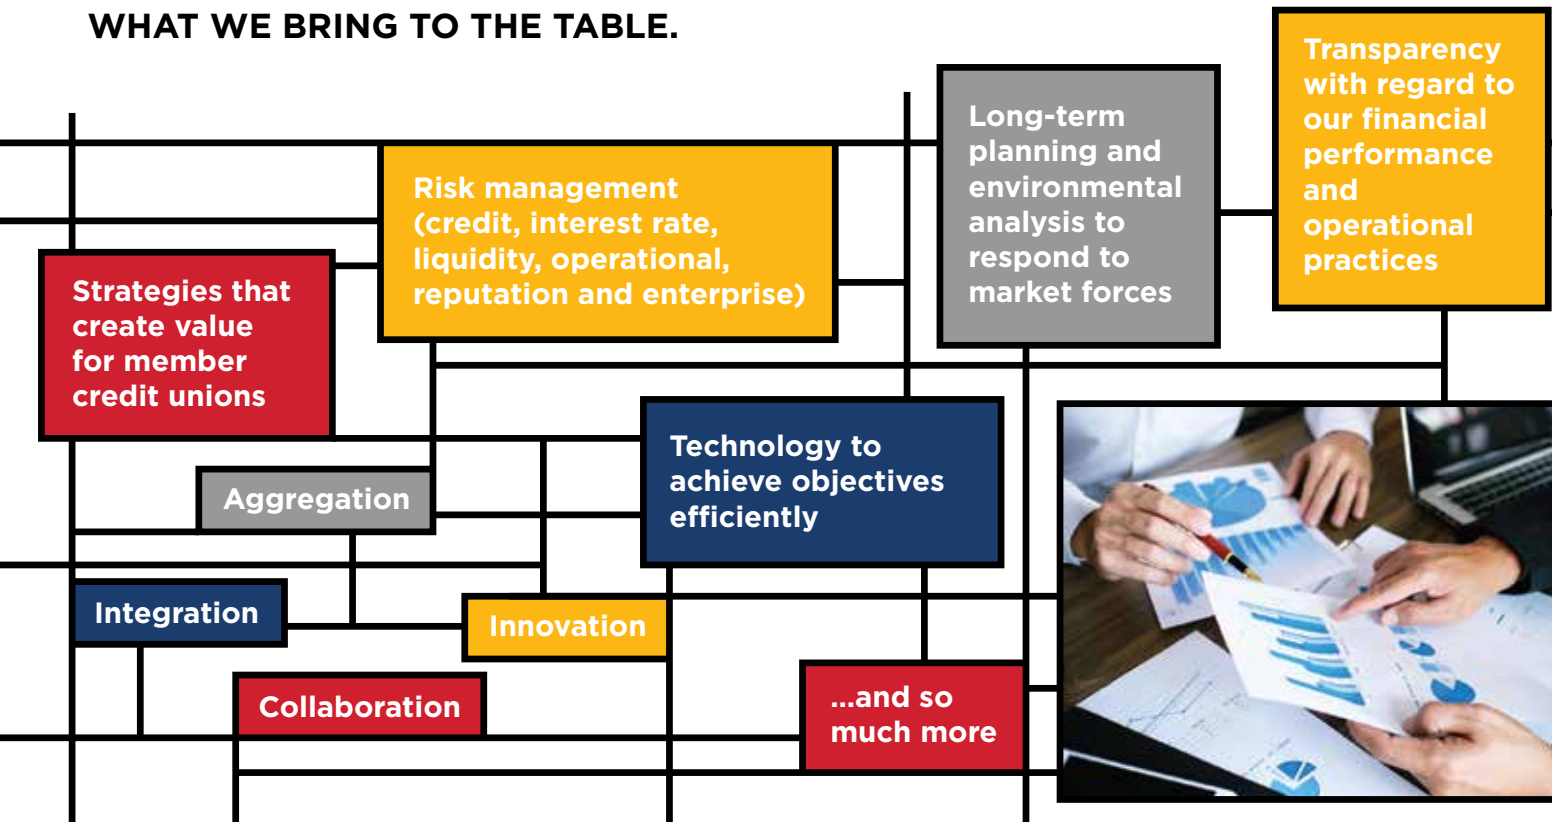

Catalyst Corporate Federal Credit Union is a wholesale cooperative financial institution.

We serve nearly 1,400 member and client credit unions from all over the country by helping identify their needs, providing services designed specifically for credit unions and offering continuous, around-the-clock support.

Since 1975, Catalyst Corporate has partnered with credit unions on a broad range of solutions, from core financial services to back-office support. Credit unions using our services benefit from a single source for competitively priced payment, settlement, liquidity, investment and business services. Through the power of cooperation, Catalyst Corporate is the largest payments aggregator in the nation, and serves only credit unions. Ultimately, our goal is to do whatever we can to make our member-owners more successful.

WHAT WE BRING TO THE TABLE.

WHAT WE DO.

A host of credit union-centric services, seamless integration and continued support set us apart from other providers. If you decide to give our services a try, Catalyst Corporate has a dedicated team of project and implementation experts to guide your credit union through all aspects of the transition. We also have the necessary resources to avoid long conversion queues, working with the credit union to transition on your schedule.

Catalyst Corporate strives to make our members more efficient, more competitive and more valuable to your members. Our business is researching, developing, improving, delivering, training and supporting the services credit unions need to operate efficiently.

HOW WE CAN HELP.

We provide unmatched value with features and characteristics not typically found in the credit union marketplace. We find our motivation in designing services to meet your needs and the needs of your members. Much of what we do is integrated into credit unions' operations, making many aspects of our value transparent. However, the sense of purpose is evident.

With Catalyst Corporate, your credit union will find:

- Aggregation of credit unions' settlement activity in one location, eliminating the need to manage and reconcile multiple accounts
- Freedom from reconciling a Fed account
- A no-fee line of credit automatically covering account activity as needed
- No-cost intra-day liquidity for settlement activity
- Timely processing to keep credit union payments activity in compliance
- Cooperative pricing made possible through aggregated volumes
- Interest on funds kept for settlement without a compensating balance account
- Comprehensive education and training, with CPE and AAP credits, offered at no cost
- Top-notch member service with WOW-level responsiveness
